1919 CAMPAIGN FOR GREATER PRODUCTION FOOD FEED FORAGE

From January 20 to 31, inclusive, in every Florida county,
U. S. Department of Agriculture urges an
increase for 1919 of:

Corn, . . .	15 %	Meat Hogs, .	15 %
Peanuts, .	25 "	Dairy Cows, .	25 "
Sugar Cane, .	25 "	Beef Cattle, .	15 "
Sweet Potatoes,	25 "	Poultry, . .	33 $\frac{1}{3}$ "
Forage Crops,	12 "		

The increased production for 1918 has placed Florida on a better financial basis. A still greater production of these staples will add to her prosperity and supply the needed foods.

The campaign is to be conducted by the Extension Division of the University of Florida, cooperating with other agricultural organizations.
